Edubuntu?

There was no 16.04 release.

They are continuing to support 14.04 release
until EoL in 2019.

Tablets and Phones

Elizabeth K. Joseph | @pleia2

Ubuntu on Phones, Tablets

- First “convergence” tablet, released by bq, the Aquaris M10 (demo!)
- OTA-11 came out, bringing a lot of bug fixes and stability to the platform
- OTA-11 across many devices, including the 2013 Nexus 7 (demo!)
- Release Notes:
<https://wiki.ubuntu.com/Touch/ReleaseNotes/OTA-11>

Ubuntu Desktop and Server
