

# Hello, I give away mainframes! (kind of)

---

- IBM LinuxONE Community Cloud
  - Use code: CPOSC
  - There's also an open source software cloud ;)
- OSU OSL Jenkins service
- Linux Distribution Services
  - openSUSE Build Service
  - Launchpad Personal Package Archives
- Travis CI build service for IBM Z
- CircleCI self-hosted runner (binaries)
- Linux Foundation Open Mainframe Project resources
